REPORT OF LIBRARY TRUSTEES.

The board of library trustees of the Marlow Public Library make the following report:

Owing to the necessity of economy in making the appropriations for the current year, your board does not feel that the situation warrants them asking for more money than the amount allowed by law.

Some of the books need to be replaced or rebound. Your board has had as many volumes replaced and rebound during the past year as our funds permitted.

Owing to the large number of residents who have moved away from the town during the year, the loss in number of volumes loaned has been 644. Your more liberal patronage of the library is urged during the year 1917.

REPORT OF SCHOOL BOARD

For the Year Ending February 15, 1917.

To the citizens of Marlow:

Once more it becomes our duty to submit for your consideration the account of our stewardship for the Marlow town school district during the past year.

We have, plus the two weeks of the 1915-1916 winter term, maintained a school year of 36 weeks; as long a term as in the history of our school district. The schools continue for another week which will be accounted for in the annual report for the year 1917. To enable us to maintain the schools for 36 weeks, we have, together with the generous amount voted at our last school meeting, the following items, received from the state, viz: State aid for average attendance, \$52.50; state aid for qualified teachers, \$70.00; also a high school tuition rebate of \$64.00.

Your school district is required to raise by law for the current year \$450.00, and in order to receive state aid, the district must raise by taxation, a total of \$1,042.31.

The high school tuition bills exceeded our cash in hand by \$3.94, which we borrowed from the school money account, pending the appropriation for next year. Owing to the abnormal rise in the prices of all kinds of school supplies and text books, our bill for supplies also exceeded our cash in hand by \$22.61, and there is a small liability we owe Mr. W. H. Spalter of Keene.

The item of repairs should be carefully considered. The roof of No. 4 needs shingling and a new sill is needed on the south side of the building, also the platform in front is in a bad

condition. Your attention is also called to the fact that conditions in the East part of the town seem to warrant your board in once more establishing a school at No. 3. Your board feels that if conditions warrant the same, it would be advisable to establish such a school, and it would be a benefit to that section of our community.

We have made no estimate of the repairs required at No. 3, but hope to have data available at our next school meeting. We once more urge the parents of our pupils to visit the schools more than they do, and see for themselves what is going on instead of depending on others for information. The life of a school teacher is an arduous one at best, and we believe in giving credit when credit is due.

The last two weeks of the winter term of 1915-16 were taught by Miss Mabel Cole in the grammar and Miss Roxie L. McNutt in the primary departments.

Your board secured the services of Miss Millicent B. Howland of Haverhill, N. H., and Miss Pauline H. Harper of Franklin, N. H., two young ladies of high character and ideals, who taught the spring, fall and winter terms in the grammar and primary grades respectively, and we think that to their earnest, faithful work, full credit should be given.

The following is the roll of honor as it appears on the registers:

Three terms—Frank Elliott.

Two terms—Donald Lindsley, Emery Young.

One term—Viola Skillings, Bernice Young, Dora Lindsley, Archie Corey, Henry Corey, Leroy Hubbard, Florence Hubbard, Edward Hubbard, Lena Hubbard, Evelyn French, Hazel Lowell, Stella Mosher, Harriet Brady, Rockwell Robb, Lester Mowrey.

The board presents to the town the following estimates of money required for the support of schools for the year 1917.

1. School money required by law, and such additional sums as the district may vote.

| | |
|---|---------|
| 2. Money for high school tuition, | \$85 00 |
| 3. Money for text books and supplies, | 100 00 |
| 4. Money for salaries of district officers, | 76 00 |
